Patient Features & Benefits

Repels water, dust, smudges, and is easier to clean than ever before!

Shamir **Glacier PLUS™** is an anti-reflective coating that utilizes advanced technologies to provide a cutting-edge, glare reducing solution for your patients.

Reduce

- Low Reflection Finish appearance that dramatically reduces cosmetic glare
- Reduces coloration to provide an added cosmetic benefit of the glasses

Resist

- Improved scratch resistance to protect the lenses and provide greater durability and longevity
- Enhanced anti-static properties to repel dirt and dust
- Helps eliminate smears and smudges

Repel

- Developed with oleophobic and hydrophobic properties to enhance your visual acuity
- Lenses are easy and effortless to clean
- Repels dirt, dust, and water, stays clean

About Us:

Here at IcareLabs, we offer the best lenses at the very best prices! IcareLabs is dedicated to providing the best quality and service while keeping your costs low.
